

**21st International Conference on Reliable Software Technologies
Ada-Europe 2016
13-17 June 2016, Pisa, Italy**

Invitation to Join Ada-Europe

Dear Friend of Ada,

Ada-Europe is an international non-profit organization, set up to promote the use of the Ada programming language and related technology, and to disseminate knowledge and experience into academia, research and industry in Europe. Ada-Europe has member-organizations in Belgium, Denmark, France, Germany, Spain, Sweden, and Switzerland, as well as direct members in other countries.

The central activity of Ada-Europe is the organization of an annual conference, held at places in Europe where there is a national community active in Ada or just a few individuals willing to be the host and to help promote Ada locally. The 2016 conference will be held mid June in Pisa, Italy: see the Advance Program and the event's web site for more information. Participation is open to anyone, and members of Ada-Europe enjoy a significant registration discount.

The other main activity of Ada-Europe is the production of a high-quality quarterly journal, entitled "Ada User Journal". The journal, whose editorial team is all made of volunteers, informs readers of developments in and around Ada, as well as of software engineering news and issues with bearing on Ada. The Ada User Journal is sent to all members of Ada-Europe, in addition to institutional subscribers such as libraries and corporations.

Ada-Europe welcomes new members, either indirectly via its national member organizations, or directly in countries where no such organization exists. On the occasion of the distribution of the Advance Program for the Ada-Europe 2016 conference, we wish to invite you to join Ada-Europe. If you are interested, then please check the detailed information on the back of this flyer. If you are already a member, please use this flyer to recommend membership to your friends and colleagues.

With our best wishes,

The Ada-Europe Board
board@ada-europe.org

How to become a member of Ada-Europe?

Where available, you should join your national Ada organization and become an **indirect member** of Ada-Europe. In some countries, indirect membership in Ada-Europe is automatically part of your national membership; in other countries, it is an optional element of your national membership. The current annual Ada-Europe membership fee is 35 Euro for indirect members (plus any fees that your national organization charges, such as for its membership and to cover postage).

As *main benefits* you will receive: a free copy of the quarterly Ada User Journal (distributed via the national Ada organizations), a reduced registration fee at the annual Ada-Europe conference (exceeding the cost of your indirect membership), and in some years a “surprise” distribution (such as the Ada Reference Manual published by Springer). Your benefits run from April to March of the following year.

If your country does not have a national Ada organization, you can contact the Ada-Europe Secretary to become a **direct member**, subject to Ada-Europe Board approval. The current annual Ada-Europe membership fee is 55 Euro for direct members. Your benefits are the same as for indirect members, except that the Journal is shipped directly to you.

In addition, Ada-Europe has a permanent open call for **sponsors** who want to support our mission. Sponsorship packages can be designed to suit both large and small organizations, and start for as little as 350 Euro per year.

Join Ada-Europe now!

If you live or work in:

- Belgium, Denmark, France, Germany, Spain, Sweden, Switzerland:** provide your postal and e-mail addresses to the corresponding national Ada organization (see below for contact information) and request to become an *indirect* Ada-Europe member;
- any other country:** provide your postal and e-mail addresses to the Ada-Europe Secretary (see below), and request to become a *direct* Ada-Europe member.

Sponsor Ada-Europe now!

Please contact the Treasurer of Ada-Europe at the address given below, to discuss the sponsorship profile that suits you best.
